Dear Students:

I am sure you will enjoy your 1954 DRAGON. It records many of our activities for the year and will be a source of pleasure in years to come. I deeply appreciate the fine work of the staff and sponsors. We are also indebted to our friends who have bought advertisements in our yearbook and made its publication possible. I wish for each pupil, teacher, patron and friend of our school a pleasant and useful year.

Sincerely,

C. A. Honea
